

2022 11th International Conference on Transportation and Traffic Engineering (ICTTE 2022) will be held in **Wuhan, China** during **December 27-29, 2022**, which is **sponsored by Wuhan University of Technology (China)**, and **hosted by School of Navigation (WUT, China)**.

ICTTE 2022 aims to establish an effective academic exchange platform for experts and scholars in the fields of traffic engineering, logistics and transportation. Participants can not only hear wonderful reports from well-known experts at home and abroad, but also face-to-face exchanges with relevant industry scholars. We sincerely welcome researchers in related fields to contribute.

PUBLICATION

All submissions will be peer reviewed, and accepted papers will be published in the International Conference Proceedings Series, which will be submitted for **Ei Compendex** and **Scopus**.

ICTTE 2016-ICTTE 2018, ICTTE 2020 conference proceedings

have been indexed by **Ei Compendex** and **Scopus**.

ICTTE 2019 conference proceedings has been indexed by **Ei Compendex**.
